EXPERIENCE

Epic Systems, Verona, WI — Software Developer

JULY 2019 - AUGUST 2020

Developed, maintained, and shipped production code for the Hospital Information Management (HIM) Team in several application areas.

Helped maintain legacy systems written in VB-5/M and collaborated with teammates to transition those systems to modern web solutions.

United States Marine Corps, Camp Lejeune, NC — Rifle Team Leader

NOVEMBER 2010 - AUGUST 2015

Led and supervised small unit formations in support of security and operations as a small unit leader and Non-Commissioned Officer.

Completed advanced leadership training at the Advanced Infantryman's Course and Non-Commissioned Officer's School.

Provided instruction in weapons handling and guided hundreds of Marines through annual weapons qualification as a Combat Marksmanship Coach.
